CATCOTE METRO

This is Malachy

Year 14 student at Catcote Metro

The **Catcote Metro** is a retail outlet which is based in Hartlepool town centre, selling a wide variety of 'ethically sourced goods' from around the world, Fairtrade, Catcote's own products and felt items from Nepal. Students gain invaluable work experience in the retail sector as part of their study programmes. Students work on a weekend and throughout the holidays on a rota basis to increase their work skills for which they are paid.

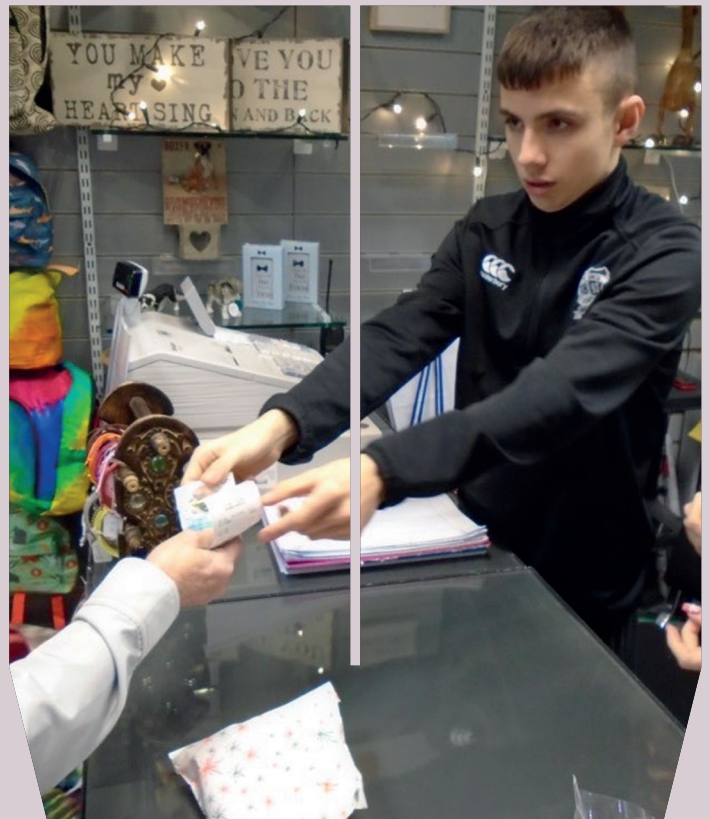

Malachy is a Year 14 student at Catcote Academy & commenced his work placement at the Catcote Metro shop in September. He attends every Thursday from 10 - 11.30 and works alongside manager Karen & teaching assistant Chelsea.

Malachy has gained many skills and self-confidence since starting this placement and looks forward to his 'shop time'. He can now, (with minimal guidance), confidently unpack and price-up stock items and photograph them for the shop's Facebook page, display stock appropriately around the shop, use the till with assistance, talk to customers and clean the shelves and counters. He also runs errands for the shop, i.e., has bought batteries from a neighbouring supermarket with petty cash and returned with the item, receipt and the change.

“Malachy has gained many skills and self-confidence since starting this placement”

Malachy says that he enjoys going to the shop, especially taking photos in the pop-up photo booth with Karen's iPad. Karen says that he takes extremely good photos of stock that she is happy to immediately upload to the Metro's Facebook page to encourage online sales.

Catcote are very proud of the achievements and progress Malachy has made since working in the Catcote Metro.
