16 July 2024

Dear Parent/Carer

Start of school in September

We are looking ahead to the start of a new school year in September. Your child will be joining us for their first day on **Wednesday, 4th September 2024**.

Children arrive at school between **8.30-8.45am**; they might be walking, riding a bike or accessing transport through the local authority. Local authority transport is not organised by school so please make sure you have contacted the SEND. Click the QR code to go straight to the website. Please contact Hollis Academy if you require support applying for transport – we are here to help!

Children should wear school uniform:

- Black trousers, black skirt, black shorts or black tracksuit bottoms
- White polo shirt, shirt or Hollis branded polo shirt
- Hollis sweatshirt
- Black trainers

Home time starts at 2.10pm and children are dismissed in groups to support an orderly and calm end to the day. Please ensure your admissions pack is complete and has been returned to the office. If you need help with this please contact Claire at our reception on 01642 855010.

School is open for PD days (no children) on Monday, 2nd and Tuesday, 3rd September. All voicemails/emails will be picked up and responded to at this time so please reach out if you have any questions, queries, or information to share.

Kind regards

Lucy Winter
